

SIGN UP TODAY!

We at SLS Arts want to make it as easy as possible for you to utilize our new ordering system technology. The cost of the unit is FREE, for qualifying customers. We simply want you to use this great tool. Some of the benefits are; faster processing of your orders, fewer errors and instant price checks in your store.

FOR THE SLS ARTS

Simplified Ordering System

Below is a list of all items included with your purchase:

- Questions & Technical Support can be attained through our office or Sales Reps.
- SLS Will supply all enhancements remotely at no additional charge.
- All transmissions and updates are sent via Internet!
- Requires computer running Windows XP with Internet access for Internet Updates.
- SOS Unit also functions as a cell phone. Phone service is not provided, and any phone service related questions must be directed to an applicable service provider.

"SOS" Units remain the property of SLS Arts, inc. and must be returned if requested. Lost units are subject to a \$400 charge to your account.
